Function description

Blind rivet pliers RT188 – Single-handed rivet pliers for a wide range of projects. The blind rivet pliers RT188 are a versatile entry-level tool for precise rivet connections in assembly, repair and DIY work. Thanks to its one-handed operation and compact design, it is easy to use, while the four colour-coded jaws can be changed quickly and without tools. The robust steel construction with a comfortable handle ensures a secure grip and a long service life – ideal for metal, sheet metal, fabric or leather.
