

T25

14 mm
EAN 0079055 819486
Article number 819486

Function description

Securely fixed – ARROW T25 round clamps for cables and pipes. ARROW T25 round clamps have been specially developed for the secure and gentle fastening of cables and pipes. Their round crown protects sensitive cables from pressure marks and prevents crushing or damage. Made of galvanised steel, they offer long-lasting holding power for a wide range of low-voltage applications – from communication and network cables to COAX cables and telephone and alarm cables with a diameter of up to 6 mm.

Technical specifications
